PUBLIC COMMENT:

Mr. Wilfing would like to know why Keith is doing so much work in Hickory Hills when they have their own board to take care of issues. He is wasting his time when there is so many other problems all over the twp.

Greg Capozzelli asked about the situation with the catch basins and the Chesapeake water shed. Mike stated that currently there is nothing going on.

John Petrick asked Attny Logsdon who will be at the Zoning Hearing. Attny Logsdon confirmed that it would be someone from Jack Deans office.
