

5. **Zoning Report** – By Georgiann: Twp checks were completed with no violations found. Non-traffic citations were issued for a property in Upper Lehigh. A warrant is out for the owner of the Fern St property. The Yassin property in Highland is being sold. Multiple permits were submitted and approved.
6. Change of minutes for the month of November as requested by Pat King. Brittany stated that she went back to listen to the recording and what was written in the minutes was correct, so she will not be changing them. Georgiann did call Pat King to let him know and offered to let him listen to the recording.

CORRESPONDENCES:

At this time Ryan read aloud a letter he prepared regarding his resignation per the MOU that was signed last year. Effective January 15th, he will be resigning from his position as supervisor, to become a full-time employee for the road department. He would like to thank everyone for the opportunity and he would be glad to help with the transition of a new supervisor. Jerry made the motion to accept with regret, and thanked him for everything he has done for the township including the new street lights, the two new trucks, and the new loader.

PUBLIC COMMENT:

Valarie Capozelli would like to know when the metrological tower will be coming down? Since it was denied it was supposed to come down. John said it should have been taken down, but he does think that they appealed it. Attny Walsh said he will check on it.
