Georgiann announced two repository sales in Hickory Hills on Woodhaven Drive, lot 44 & 45

Georgiann announced that there are portions of Foster that will be sprayed for Gypsy Moth, but the letter that was received from Luzerne county did not give specific details as to where or when this will take place.

PUBLIC COMMENTS

Shari Petrovitch would like to know if there is any talk about spraying for Mosquitos. She would also like to know if the board can send the zoning officer down because there are many violations in Hickory Hills.

John Ammon would like to know how a single family dwelling can be changed and rented out as a two family dwelling without going through the township.

Mike Spock announced that the burn ban is still on and it will be at least two more weeks. He also said that the fire company would like to put an addition on the firehouse. With current setbacks the addition would come within 6 feet of the property line and he would like to know if the board would waive the zoning hearing that is required. Possibly a letter could be sent to the adjoining property owner. Attny Walsh said he will look into it.

A resident from Park Street would like to know the status of the tractor trailer ordinance. Attny Walsh explained that he just delivered a packet of information to the supervisors for their review.
