PUBLIC COMMENTS

Mark Lachewitz asked if the board confirmed whether the connection on Nadine Rd was done by photo or in person. Brittany stated that she spoke with Dave Popiak and it was definitely not done by photo, he was out to the site to inspect the connection. He also asked about who checks to make sure a manufactured home is connected properly to the foundation? The board told him he would need to contact Tino for that information.

Jessica Palmaccio asked if anyone has made complaint about a strong odor down on 940 by their house. The twp has not had any such complaints. Wilson stated that the next time she smells it she should call 911, as it could be many things.

Greg Capozzelli asked why the PAWC bills went up and also how much FMA is charging PAWC for transmission. The board stated that he should ask FMA and PAWC these questions because the Twp no longer owns this end of the sewer and the charges are not up to us. Greg asked for the board to submit a right to know request on his behalf.

ADJOURNMENT

■Motion to Adjourn made by John. Wilson seconds the motion. Roll Call was yes by all.

Respectfully Submitted,

Brittany Majewski
