PUBLIC COMMENTS

Valerie Capozzelli asked if there was anything in the data ordinance for decommissioning. Wilson stated that there was something in there for it, but there are too many things that are still unanswered and a new draft will be prepared.

Mark Lachewitz asked about the zoning report and if the format will be a permanent change. The board asked Jonathan to look into changing it back to the way it used to be. Mark asked if the engineer was still around, he has not been at a meeting in quite some time and there was a collapsed deck in HH that he was supposed to be following up on. John stated that the new zoning officers can address the issues, it does not just need to be Tom.

ADJOURNMENT

■ Motion to Adjourn made by John. Todd seconds the motion. Roll Call was yes by all.

Respectfully Submitted,
